

INSPIRING MINDS. NURTURING VALUES. BUILDING FUTURES.

Edullect Academy is a non-profit, community-focused school offering a transformative education rooted in academic excellence and strong universal (Islamic) values.

OUR MISSION

"To stimulate intellectual growth, instil moral values and virtues, and inspire faith, confidence, and leadership. We aim to be a beacon school specialising in maths, science, arts, technology, and Islamic knowledge."

EDULLECT ACADEMY INDEPENDENT SCHOOL

At Edullect Academy, we believe every child is a unique gift—full of potential, purpose, and promise. Our purpose-built school is more than a place of learning; it's a nurturing community where 300 children aged 3 to 11 are encouraged to grow academically, morally, and spiritually.

**Welcome to Edullect
Academy, a joyful, faith-
inspired community where
every child shines!**

KNOWLEDGE ~ FAITH ~ PURPOSE

THE CORE 8: EMBEDDING UNIVERSAL VALUES FOR ALL

Character and values are at the heart of everything we do. At Edullect Academy, we are deeply rooted in our eight Core Values—Compassion, Faith, Forgiveness, Generosity, Honesty, Inclusion, Modesty, and Respect.

While rooted in the Islamic tradition, they reflect universal human principles that enrich the lives of all pupils, regardless of their faith.

Offering the National Curriculum, Islamic Sciences & Arabic Language

" We inspire a passion for science, maths, and technology, empowering students to think critically, solve real-world challenges, and lead with confidence. "
