## DfE Independent School Pre Approval Ofsted Inspection - PASS

After many months of anticipation we have finally had our DfE independent School Pre-Approval Ofsted inspection on the 29<sup>th</sup> April 2025. It is with great joy that we can confirm that we have **PASSED** with a very positive outcome. We are extremely excited to welcome our youngest students into our school as soon as we receive DfEs approval. This has all been achievable through all the hard work of the team here at Edullect academy for putting in the late nights and extra hours, but most of off this would not have been possible without the dua's of our community who has pushed us to create and all purpose school for our children. We sincerely appreciate your patience and look forward to the next stages to come.
