A Historic Milestone: Our First Cohort & DfE Approval!

After eagerly awaiting Department for Education (DfE) approval, Edullect Academy is thrilled to announce we have finally welcomed our first cohort of students! Our doors officially opened on Thursday, 5th June, marking an exciting new chapter. We are profoundly grateful for the overwhelming support from our community; we truly couldn't have achieved this milestone without you. May Allah grant us ease on the journey we have begun. (Ameen).

Hajj Mubrrur

We extend our warmest wishes to our dear parents and community members who have been fortunate enough to complete Hajj. May your journey be accepted, and your Eid filled with joy and blessings. To celebrate this our students had an enriching first week learning all about Hajj and its significance.

Open Day Success: A day to remember!

Alhamdulillah, our Open Day on 21st June was an unforgettable celebration! We welcomed so many wonderful new families into our school community, and the atmosphere was truly amazing. The star attraction? Our giant bouncy castles - where children (and adults!) bounced with delight for hours! From creative activities like jewellery-making to heartfelt conversations, every moment radiated the warmth of our caring community. Allah truly blessed us with a day filled with pure joy and connection.

WE'RE ENROLLING FOR SEPTEMBER 2025

Please share the message to your network and encourage parents to visit our state of the art, purpose-built modern school building and meet with our inspirational leaders.

Wrap-Around Care: Supporting Busy Families

As September approaches, we are ensuring every provision is in place for a smooth and welcoming transition into school life. To support our busy students and parents, we have recruited dedicated staff for our **Breakfast Club (7:50 AM - 8:50 AM) and After School Club/Extra-Curricula Activities (3:30 PM - 6:30 PM)**. These sessions will provide a safe, engaging space for children to socialise, learn, and unwind—giving parents greater flexibility while ensuring students start and end their day positively.

Extra curricular clubs will also be available so keep an eye out for those too. Competitive sports, board games, coding, reading and trampolining are amongst the activities.
