And that's a wrap for our first term here at Edullect Academy

What an amazing July we've had! We kicked things off with our super-cute Teddy Bear Picnic—students brought their favourite fluffy friends, and parents joined the fun too. Thanks to the amazing weather, we spread out on the playground for yummy treats and cool drinks. Huge thanks to all our awesome parents for making it extra special!

Summer Sports Day

Our first Sports Day raced in on July 15th! After a week of practice, the kids showed off their skills, teamwork, and never-give-up spirit. Typical London weather tried to rain on our parade, but we simply moved the party indoors to our purpose built multi purpose hall—and guess what? The energy was ELECTRIC! Kids and parents loved every minute. Well done, everyone!

Super Hero Week

Super Hero Week took off in a fantastic way. Our students became hero-spotters extraordinaire, exploring real-life champions in our community—from doctors and dentists to nurses, firefighters, and police officers. The excitement peaked when the Heaton Neighbourhood Policing Team surprised our students! Officers shared inspiring stories about keeping our streets safe, and the best part? Kids got to try on real uniform. Seeing our little heroes beam while exploring the uniforms was pure magic. We're already crossing our fingers for their next visit—our future crime-fighters can't wait!

Oxygen Collaboration

Get ready to bounce... We've teamed up with Oxygen Trampoline Park for PE lessons! Thanks to our fantastic neighbours, kids will experience indoor rock climbing, trapeze, parkour, balance beams, and more. Plus—they celebrated their end-of-year trip there! Talk about an upgrade!

A part of this brilliant collaboration Oxygen have agreed to let our **parents use their car park for the school drop off and pick up**. This means that parents can confidently park in the morning and after school during the busiest time of day. However please be considerate and mindful when doing so as we want to maintain a good relationship with our neighbours in the future.

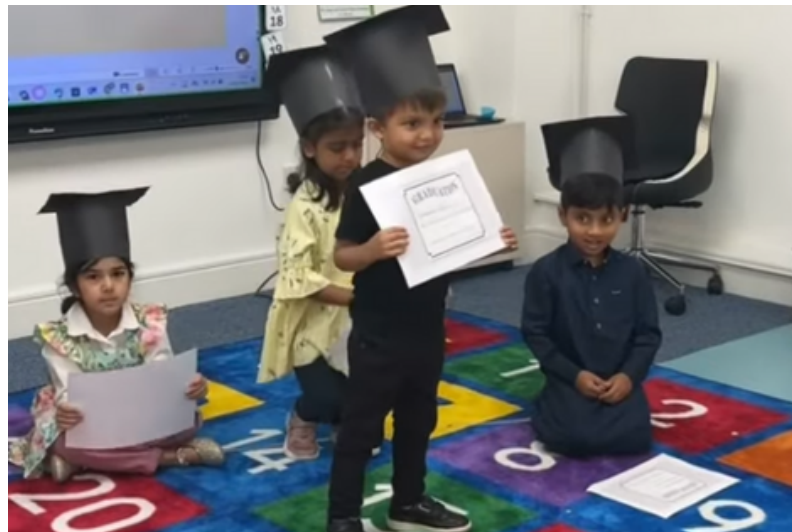

Summer Holidays

While you enjoy summer break, we're busy preparing for our full school opening on September 2nd! Imagine: uniforms, new friends, and classrooms buzzing with excitement. Stay updated via our Digital Hub or join our WhatsApp Community for instant news!

Our very first graduation was a huge success

Our very first Graduation Ceremony shone bright on July 24th! Staff at Edullect Academy swelled with pride seeing how much these little stars have grown in knowledge and confidence. We can't wait to support their journey ahead—may Allah bless them with ease and success. Ameen!

Thank you once again to our wonderful parents for attending such a special event. The first of many graduation ceremonies to come.
