Our Team is Ready to Welcome Your Children!

We hope this message finds you in the best of health and Iman. As we are excitement to welcome our students on **Tuesday, 2nd September**. Our dedicated staff returned on 28th August to prepare our classrooms and resources. The energy on campus is electric.

A Blessed Sound: Our New State-of-the-Art Tannoy System

We are incredibly proud to announce that our new, state-of-the-art Tannoy system has been installed. The difference is truly remarkable. The beautiful sound of the Adhan now resonates throughout the entire school. It is a profound addition that makes our school feel truly blessed and filled with barakah.

A Week of Fun & Growth at Camp-Oneder

We were delighted to host Camp-Oneder during the summer holidays. It was a joy to see the children engage in a week of fun-filled activities specifically designed to nurture their spiritual awareness and emotional intelligence of young children. The week was a great success, ending in a fantastic afternoon of laughter and joy on the bouncy castle

Strengthening Our Commitment to Safety

The safety and well-being of our students and staff is our utmost priority. To ensure we meet the highest standards, we invited officers from the Harold Hill Fire Station (located directly opposite the school) to conduct a thorough check of our facilities. We are pleased to report that they were very satisfied with our standards and have happily agreed to conduct a dedicated fire safety workshop for our school in the near future. A special mention goes to our School Professional Services Manager, Ms. Chowdhury, who assisted the crew and was even lucky enough to get a personal tour of the fire engine—an experience she thoroughly enjoyed!
