Ramadan Mubarak

Ramadan Mubarak to all our Edullect Community! Edullect Academy has been full of excitement as our children bring the spirit of Ramadan to life with their beautiful decorations. Our students have handmade lanterns and world record paper chains and much more. It's been heart-warming to see our children celebrate this blessed month together. We also invited everyone to 'Make a Friend's Day Brighter!' by making Eid/Ramadan Mubarak cards. Students and staff dropped their cards into our special mailbox. We were thrilled to collect them all and we personally delivered to every student.

12 Days of Ramadan Challenge

This Ramadan, we have launched a **Ramadan Reflection Journey: Edullect Academy - 12 Days of Lights & Good Deeds**. We have shared one special post each day on Compass, featuring a meaningful challenge designed to inspire kindness, gratitude, patience and generosity. Each daily challenge encourages our students to pause, reflect and take action, then engage in thoughtful discussion with their families, friends and teachers.

World Book Day Events

World Book Day is fast approaching, and we have a range of exciting activities planned for your children to enjoy. The week will begin with a live storytelling session featuring Michael Wayne Rosen. We've also invited an author into school for a more interactive visit, where pupils will have the opportunity to ask questions and share a story. Later in the week, children can come to school in non-uniform, dressing up as their favourite book character. Homemade costumes are especially encouraged, with house points awarded for creativity and imagination. We will wrap up the week with our older pupils reading to younger classes, building connections across year groups while promoting a shared love of books throughout the school. Staff will also visit classrooms to share their favourite book with students throughout the school.

Edullect Academy Calendars

We are excited to share that our Edullect Academy calendars are now available. We would like to thank our parents who have generously made voluntary donations to support the school. Please pick a copy for yourself from the school office.

Celebration Assemblies

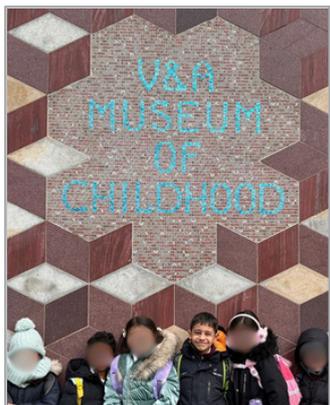

We were delighted to welcome parents to our celebration assemblies. Every year group had prepared something special to perform, sharing their talents and hard work with everyone. Parents had the chance to see what their child(ren) have been learning this term and class teacher shared their feedback - everyone had a fantastic time!

Parent - Teacher Meeting

We recently held our Parent - Teacher Meetings, where teachers had the opportunity to discuss each student's current academic progress and performance. Additionally, we held a separate Parent meeting with our Arabic Language, Quran and Islamic Sciences studies teachers. This allowed parents to gain detailed insights into their child development and learning.

Trips

Recently, our students went on exciting school trips! Year 1 & Year 2 visited the Young V & A Museum, where they explored toys through history. The children loved seeing how toys have changed over time and had an amazing time. Meanwhile our Year 3 to Year 6 students visited the British Museum, they enjoyed seeing the historic artifacts and discovering interesting facts. These trips linked to their history learning.

Stay & Play

We have been overwhelmed by the positive response to our Stay & Play sessions, which have quickly become a highlight of our week. It is incredibly rewarding to watch the children grow in confidence as they play, and equally pleasing to see so many parents forming supportive friendships with each other. These sessions provide a lovely, relaxed introduction to our school environment. New families are always welcome to join **every Tuesday from 9:05 am to 10:30 am**. To take part, register via the QR code on the poster. Please note that the session will not run on any day the school is closed—be sure to check our school website for the calendar.

Admission Open for Nursery (age 3 - 4) Reception and Primary (Year 1 - 6)

There's still time to secure your child's place—click **REGISTER**, Scan the **QR code** or call us and we'll arrange a personalised visit at a time convenient for you. But hurry spaces are limited
